Noteworthy News

Since our last newsletter, Wings BPS has provided or shipped Scriptures to Anguilla, Brazil, Croatia, Haiti, Mauritius, Philippines, Qatar, Uganda, and the Virgin Islands! Please pray that God will use His word as it goes forth. We are excited about our ongoing 2018 theme, **Bibles 4 Isles**. Prayer Petitions

Please pray that the Lord would mightily use His word as it goes around the world. Pray that God would enable us to provide His word to many island nations in 2018. Thank you for partnering with us to get the word of God to a lost and dying world through your prayers and giving! We believe in the power of prayer and are thankful for your support. Thanks again and may the Lord bless you as you faithfully serve Him.

Bittersweet moment Giving Brittney away...

Johnson's Journal

Well, Brittney is officially out of the house. She and Ben Dods were married on September 8th. She is teaching in our church's Christian school so she only moved across town. Dema and I are sad she is out of the house but glad she is following God's will for her life. Nathaniel is studying Spanish and excited about our trip to Mexico next May. We are trusting the Lord to use us for His cause and glory in 2018!

BIBLES 4 BAHAMAS

“I was able to go on the Bahamas trip in answer to prayer. I am so thankful the Lord allowed me to go. In spite of hot weather and humidity I had written in my journal on the last day of passing out John and Romans - ‘I hate to see our canvassing end today.’ I came home with a burden for Bahamas and its faithful pastors and a new understanding of their great need for Christ.”

Testimony by Tami Neal

(second from left, singing at one of the schools)

“I’ve been on many mission trips with the Wings BPS ministry but I can honestly say that the 2018 Bahamas trip was one of my favorites. The people of the Bahamas were the kindest and most polite people I’ve met. Their nation is so open to the word of God and it was so incredible seeing how receptive they were to our team. The island of Nassau was far from what I had previously imagined it to be. After seeing vacation brochures and advertising, I was expecting a higher standard of living. After arriving, I soon realized that the Bahamas is not the paradise so many people believe it to be. Beyond the beach front mansions, luxury hotels, and shining seas, is a country stricken with poverty. The people of the Bahamas are a needy people - they are hungry for the Gospel. I’ll never forget my experience there and I’ll never forget the wonderful Bahamian people that touched my heart for ever. Thank you Wings Bearing Precious Seed for allowing me to plant the seed of the Gospel in the Bahamas!”
