

# The Word to the World Prayer Map

The **red** nations denote places Wings Bearing Precious Seed has already shipped to. The **gray** nations denote places we have not shipped to yet (as of December, 2022). The number before the nations below designates their location on the map. The name of the nation is followed by its population in millions. The % figures in parenthesis denote an estimated percentage of Christians. (CA) denotes creative access nations, where the gospel is restricted. These statistics were obtained from *Every Home for Christ*, *Joshua Project*, and *Operation World*. Please pray that the “gray” nations will become “red” soon.
